

# Ensemble Du Verre

## Technical Rider

Jazz -Electronic with Drums, Trumpet, Double Bass, Keyboards, Notebook  
3 Musicians

Required PA system: fullrange system incl. sub woofers

Stage size: 5 x 3 m (see scheme below)

Required equipment:

- 16 channel stage box
- 1 mic stand (voice)
- 1 hard case / beer box for our stage mixer
- fresh towels backstage

Information:

We bring our own backline, microphones and drum mic stands. Monitoring is In-Ear, we use our own Mixer (Mackie Onyx 1620) on stage. We also bring our own multi core connecting our Mackie to the stage box through 16 symetrical "direct outs"
